Dear Potential Partner,

Expedition STEAM Adventures is a mission-driven for-profit company dedicated to making hands-on STEAM (Science, Technology, Engineering, Arts, and Math) learning accessible and engaging. Unlike nonprofits, our for-profit approach allows us to create sustainable, high-quality STEAM experiences while offering businesses valuable brand exposure and marketing opportunities.

Through **X-Pedition Chests, Science Nights, and Live Events**, we engage children and families in immersive learning experiences. We invite your business to **partner with us** to expand access to STEAM education while aligning your brand with innovation and discovery.

## Why Partner with Expedition STEAM Adventures?

- **Increase Brand Visibility** – Your logo may be featured on kits, materials, and digital marketing.
- **Connect with Families & Educators** – Engage with parents, teachers, and homeschool communities.
- **Enhance Corporate Social Responsibility** – Support accessible STEAM education.
- **Gain Flexible Sponsorship Options** – Sponsor in part or in full to fit your budget.
- **Maximize ROI** – Your partnership provides direct brand engagement, not just a donation.

## Sponsorship Opportunities:

- **X-Pedition Chest Contribution (\$250 - \$5,000+)** – Get brand exposure on learning kits, materials, and digital platforms.
- **Community Partnership (\$500 - \$10,000+)** – Support STEAM kits for schools, libraries, and communities.
- **In-Kind Support** – Donate materials, packaging, or printing services.

- **Science Night & Event Sponsorship (\$500 - \$5,000+)** – Sponsor an interactive event or our presences at events in your community with branding and social media promotion.
